
SAVE THE DATE: Real Estate Lunch

Dear Ladies and Gentlemen,

On 14 and 15 June the second "Real Estate North" – a real estate fair with a special focus on the real estate market in Northern Europe - took place in Hamburg.

The fair was a great success. The organizers noted 137 participating companies. More than 1,400 visitors gathered at the Congress Center Hamburg (CCH). The Real Estate North was a valuable networking platform for any players dealing with real estate investments and related issues in Northern Europe. We received a lot of positive feedback, especially on The Nordic Lounge as special meeting point for players in the German-Nordic real estate business.

The aim is to make Real Estate North even more successful in 2012. Therefore, we are looking forward to talk to you about this year's fair and the upcoming fair in 2012. Please **save the date** for the

Real Estate North Road Show in Oslo – Copenhagen – Stockholm – Helsinki

which we organize together with Deutsche Messe AG. The different events will take place

in Oslo on **Thursday, 9 February 2012**
in Copenhagen on **Friday, 10 February 2012**
in Stockholm on **Thursday, 16 February 2012**
and in Helsinki on **Friday, 17 February 2012**

We are looking forward to meeting you around lunchtime for a **quick lunch** and **an open discussion** of your demands to the new fair. Further, we will be glad to take about various possibilities to participate in the fair.

The official invitation with further details will follow mid January.

With best regards
